By Meera Patel, Nakul Patel, Raman Bedi

Radcliffe Publishing Ltd. Paperback. Book Condition: new. BRAND NEW, Dental Public Health: A Primer (1st New edition), Meera Patel, Nakul Patel, Raman Bedi, This work includes Forewords by Raman Bedi and Kevin Lewis - respectively Director, Global Child Dental Health Taskforce and Former Chief Dental Officer; Dental Director, Dental Protection. This full colour textbook covers all the major aspects of undergraduate dentistry. It is an excellent revision aid with a dedicated examination techniques section, and sample examination questions (both long and short answer) in each chapter. This primer is perfect for students, and also as an everyday reference guide for dental practitioners, and for use as a teaching aid. It is full of fascinating concepts, mnemonics and pictorial prompts to help the reader absorb details. It contains a detailed list of websites, sources of epidemiological data, further reading material and references, and a complete glossary of terms. This text is invaluable for undergraduate dental students, general dental practitioners, lecturers and allied health professionals. "Remarkable, highly amusing and informative. This book will appeal to all members of the dental team. Put[s] a degree of energy back into a subject that is all too often presented in a dull and uninteresting manner....
