Universal Write Publications LLC Jan 2015, 2015. Taschenbuch. Book Condition: Neu. 216x140x9 mm. This item is printed on demand - Print on Demand Neuware - BOOK OVERVIEW Charles Fuller is a pre-eminent American dramatist. The Dramatic Genius of Charles Fuller is an accessible and appropriate introduction to the mind of Fuller for those who know his work and those who do not. For an author who did not set out to be a Pulitzer Prize winner but rather one who would use every dimension of his multifaceted life to dramatize the narratives of African American people he has succeeded in being an influential voice in the dramatic arena. Few critics have examined Fuller seriously and in some ways his work, like that of other black writers, has fallen outside the gaze of contemporary literary and dramatic writers even though he has received some of the highest awards in the nation. Part of this is because few African American dramatists have been looked at critically or studied in classrooms or spoken of in terms of their philosophy, style, originality, and brilliance. This book brings a critical reading and sympathetic location of Fuller's drama in the center of African American dramatic and social history. Anyone who teaches drama or who performs or produces African American drama should use this book as a supplemental reading for theater and literary classes at the undergraduate level. Serious scholars of the philosophy of African American drama can use the book at the graduate level. In Theater, English or African American Studies the book is sure to be used in the classes on African American Drama or Theater, Black Writers, and The History of American Drama. Charles H. Fuller, Jr., was born in Philadelphia, Pennsylvania, on March 5, 1939. He was educated at Roman Catholic High School...
