This book is an excellent reference to assist the bereaved in participating and planning the funeral. It, also provides insights for children and grief, pastoral planning for ministry, and a better understanding for cremation according to the Catholic ritual. It is a much needed book for a difficult time. This book illustrates how the funeral is very important for setting the tone for the way we go through grief at the loss of a loved one. It is a book which helps pastoral ministers, funeral directors, hospice workers, and parish support groups. It clearly explains the funeral and the meaning and use of symbols.
