Country House Society: The Private Lives of England's Upper Class After the First World War

By Pamela Horn

Amberley Publishing. Paperback. Book Condition: new. BRAND NEW, Country House Society: The Private Lives of England's Upper Class After the First World War, Pamela Horn, The First World War particularly affected the landed classes with their long military tradition; country houses were turned into military hospitals and convalescent homes, while many of the menfolk were killed or badly injured in the hostilities. When the war ended efforts were made to return to the pre-war world. Pleasure-seeking in night-clubs, sporting events and country-house weekends became the order of the day. Many of the former rituals, such as presentation at Court for debutantes, were revived. Yet, overshadowing all were the economic pressures of the decade as increased taxation, death duties and declining farm rentals reduced landed incomes. Some owners sold their mansions or land to newly enriched businessmen. Others turned to city directorships to make ends meet or, in the case of the women, ran dress shops and other small businesses. The 1920s proved a decade of flux for High Society, with the lighthearted antics of the 'Bright Young People' contrasting with the financial anxieties and problems faced by their parents' generation. Pamela Horn draws on the letters and diaries of iconic...

Reviews

This publication is wonderful. It really is rally interesting through reading period of time. I am just very easily will get a delight of reading a published book.

-- Roma Little

Good electronic book and useful one. It usually does not expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.
