I AM WISHES FULFILLED MEDITATION

CD-Audio. Book Condition: New. Not Signed; This CD is designed to work in parallel with Dr Wayne W. Dyer's fantastic new book Wishes Fulfilled . Used daily as a meditation tool, this book will calm your spirit and warm your heart, and unlock the power of Spirit that Wayne explains in the book. This CD was created in collaboration with renowned spirituality master and troubadour James Twyman. The two words I am are the name of God. As Dr Wayne W. Dyer explains, 'I discovered while reading James Twyman's book The Moses Code that the sounds you will be hearing in this CD were the result of some intense research to reproduce the exact sounds associated with the name of God found in the Old Testament, translated from the original Hebrew as I am that I am. 'It turns out that specific numbers can be assigned to letters. And the tuning-fork sounds you'll be meditating to are the exact sounds ascribed to the letters that comprise the Divine name of God. This has been called the most powerful meditation tool in the history of the world. I encourage you to become open to the idea that these sounds, when accompanied by your own I am mantra, can and will provide you with the ability to live a wishes fulfilled life.' Your wishes - all of them - can indeed be fulfilled. By using your imagination and practicing the art of assuming the feeling of your wishes being fulfilled, and steadfastly refusing to allow any evidence of the outer world to distract you from your intentions, you will discover that you, by virtue of your spiritual awareness, possess the ability to become the person you were destined to be. book.
