Reviews

This book can be worthy of a read, and much better than other. It usually fails to charge a lot of. I realized this publication from my dad and i encouraged this pdf to understand.

KEEP IT FAKE

DOWNLOAD

Sarah Crichton Books, United States, 2016. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book. In *Keep It Fake: Inventing an Authentic Life*, Eric G. Wilson investigates this phenomenon. He draws on neuroscience, psychology, sociology, philosophy, art, film, literature, and his own life to explore the possibility that there s no such thing as unwavering reality. Whether our left brains are shaping the raw data of our right into fabulous stories or we re so saturated by society s conventions that we re always acting out prefab scripts, we can t help but be phony. But are some fakes more real than others? Are certain lies true? In lively prose - honest, provocative, erudite, witty, wide-ranging (as likely to riff on Bill Murray as to contemplate Plato) - *Keep It Fake* answers these questions, uncovering bracing truths about what it means to be human and helping us turn our necessary lying into artful living.
