HarperCollins Publishers Inc. Paperback. Book Condition: new. BRAND NEW, Wait for You, J. Lynn, Some things are worth waiting for.Traveling thousands of miles from home to enter college is the only way nineteen-year-old Avery Morgansten can escape what happened at the Halloween party five years ago - an event that forever changed her life. All she needs to do is make it to her classes on time, make sure the bracelet on her left wrist stays in place, not draw any attention to herself, and maybe - please God - make a few friends, because surely that would be a nice change of pace. The one thing she didn't need and never planned on was capturing the attention of the one guy who could shatter the precarious future she's building for herself. Some things are worth experiencing.Cameron Hamilton is six feet and three inches of swoon-worthy hotness, complete with a pair of striking blue eyes and a remarkable ability to make her want things she believed were irrevocably stolen from her. She knows she needs to stay away from him, but Cam is everywhere, with his charm, his witty banter, and that damn dimple.Getting involved with him is dangerous, but when ignoring their simmering tension becomes impossible, he brings out a side of her she never knew existed. Some things should never be kept quiet.But when Avery starts receiving threatening emails and phone calls-forcing her to face a past she wants silenced-she has no other choice but to acknowledge that she will not be allowed to let go of that night when everything changed. When the devastating truth comes out, can she resurface this time with one less scar? And will Cam be there to help her or will he be dragged down with her? And some things are worth...
