Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Have you ever thought to yourself, my child doesn't know what it's like to live in the real world? Do you want them to be prepared to enter society at the age of eighteen and prosper? When you begin Real Life Tutoring your whole family will unite to create your own new world. Your child will be introduced to this new world at a pace suited to their age and needs. Together you will create the constitution and laws of your new land, giving your child an opportunity to experience life without having to leave the comfort of their own home. The Real Life Tutoring Program encompasses every aspect of real life including, jobs, laws, bills, banking, finances, saving, setting and achieving goals, making responsible choices and much more. When using the program children learn through trial and error how to apply themselves productively to achieve what they want and need in life. Learning with The Real Life Tutoring Program is based on your child's individual needs, not on chronological age. For this reason the program can be tailored to each individual child adapting as your child learns and grows. The program blends seamlessly with all curriculum, enhancing your child's educational experience, while teaching invaluable life skills that cannot be obtained from our current educational system. Carefully sequenced activities build upon one another, allowing learning to advance naturally from the known to the unknown. This all takes place in a fun and supportive atmosphere of problem-solving, critical thinking, experiential learning, and ultimately, self-discovery. Do you sometimes feel as though your child is not listening to you or only values their own opinions? With The...
