## THE UNFINISHED GLOBAL REVOLUTION: THE ROAD TO INTERNATIONAL COOPERATION

[DOWNLOAD](#)

Penguin Books, United States, 2012. Paperback. Book Condition: New. Revised ed.. 211 x 137 mm. Language: English . Brand New Book. In *The Unfinished Global Revolution*, former United Nations Deputy Secretary General Mark Malloch-Brown diagnoses the central global predicament of the twenty-first century--as we have become more integrated, we have also become less governed. National governments are no longer equipped to address complex global issues, from climate change to poverty, and international organizations have not yet been empowered to step into the breach. In this book, Malloch-Brown wrenches the discussion away from terrorism, nationalism and Iraq and calls for a new global politics--a bigger league, with greater opportunity for all. Beneath a spotlight rarely reserved for public servants, Malloch-Brown has been at the center of recent world events: at the World Bank, when it was under siege from activists; as a political consultant to aspiring democratic leaders and governments; and at the United Nations, where he fought off conservative critics who turned on Kofi Annan after the Iraq war. In *The Unfinished Global Revolution*, he draws on his experiences at the frontlines of international development over the past several decades--from Cambodia to Sudan, and from Washington to the UN headquarters--in order to provide a personal, on-the-ground view of seemingly abstract challenges. *The Unfinished Global Revolution* chronicles how over the past few decades domestic problems--from unemployment to environmental distress--increasingly have international roots. As national politicians lose control to impersonal global forces, they will be forced to become more effective participants in international mechanisms like the United Nations that may offer the only viable solutions. Increasingly, ad hoc arrangements between NGOs, civil society and the private sector are filling in the gap created by the failures of individual governments. In the wake of the worldwide economic crisis of 2008, many have been...
