Brand New Book ***** Print on Demand *****.Excerpt from Cardinal Beaufort: The Stanhope Prize Essay, 1875 It is impossible not to notice in reading history, how little attention some periods, as compared with others, have received from historians. These seem to bestow the greatest part of their trouble and attention on those times which are full of great movements, and which will therefore yield an easy and imposing result to their labours. But those periods which contain the germs of those great events are comparatively neglected: they are more difficult to understand, and the result gained is not so specious; yet, for a real understanding of history, they are to the full as important as the periods in which the great events themselves take place. No period in history, perhaps, has been so much examined and discussed as the sixteenth century, while the fifteenth has been comparatively neglected. The cause of this is that the events of the former century were in themselves so important, and have had such important and lasting effects, that it afforded an immense harvest for historical gleaners; yet it...
