Emotional sales goal is simple and clear. and is intended to describe a way to help the sales staff through the emotional drivers of potential customers. to better understand the customer. rather than with emotions. and faster to complete more sales tasks. Potential and existing customers are emotional. they have their own likes and dislikes. have different emotional drive. The professor's knowledge of the understanding and application of this book. will be able to improve the economic efficiency of enterprises. while sales from sales enhance their own satisfaction. Successful sales need to use some of the techniques. Of course. there have been many books and courses on sales techniques from different angles. but they lack the practical and scientific models. Emotional sales is unique in that it is divided into the potential customers activist. check. artists. politicians. engineers. shrewd. order by seven personality types. and accurately summarized the different personality types of potential customers to make a purchase decision emotional drive. The guide salespeople how to analyze potential customers. through six different conversation. wearing style. jobs. enterprises clues to determine their emotional drive. Thus. an appropriate adjustment to the sales strategy to cater to potential customers. rather than establish emotional. You are no longer just completed a sale. you will also learn how to communication with people. Emotional sales...
