What does it take to build character? How do you instill godly qualities inside yourself that are displayed consistently through words, actions, and attitudes that reflect what Jesus himself is like? Building Character Together takes you and your small group inside the Bible to learn character-building lessons from some of its most compelling figures. In six enjoyable, interactive sessions, each volume in this six-volume series helps you deeply explore the complex issues of developing Christian character. Combining study, discussion, and shared experiences, here is a pathway to growth both individually and as a group. Explore the lives of David, Mary Magdalene, Jacob, and other men and women of the Bible. Learn lessons from their successes and failures and from their relationships with God and other people that you can readily link to yourself and your own life circumstances. Enjoy frank discussions that draw you and other group members deeper into each others' lives. And put it all into action in a one-day group retreat, a service project, a mini-mission work, and other experiences that help you make the leap from good words to good works.Editorial ReviewsFrom the Back CoverWhat does it take to build character?
