McGraw-Hill Education - Europe. Hardback. Book Condition: new. BRAND NEW, How to Sail Around the World: Advice and Ideas for Voyaging Under Sail, Hal Roth, Whether you'd like to sail around the entire world or just part of it, the well-tested sea wisdom in "How to Sail Around the World" will make your voyage easier and more successful. Here's clear and authoritative information on how to buy a small sailing yacht at a modest price, how to sail her on a big ocean, and what it's like to live aboard. Hal Roth has been a long-distance sailor for 37 years. He has sailed around the world three times and has logged 200,000 miles at sea either with his wife or by himself. His books "Two Against Cape Horn", "Two on a Big Ocean", and "Always a Distant Anchorage" are recognized classics of voyaging literature, and his instructional book "After 50,000 Miles", published a quarter century ago, ranks among the most influential sailing books ever written. Yet Roth's first sympathies are still 'for the beginner with stars in his eyes and not much money,' and "How to Sail Around the World" emphasizes the simple, the essential, and the affordable for ordinary people who would like to see the world from a new and challenging perspective. To a rare degree, Roth combines a mastery of technical content with an ability to render it in elegant writing that's a pleasure to read. "How to Sail Around the World" is at once authoritative and accessible. Roth's strongly held opinions, convincingly argued (he chooses not to sail with a refrigerator, for example), add to the book's appeal. "How to Sail Around the World" will tell you how sailing yachts are built and rigged, how to handle the sails, and what you need to know about anchors...
