Vintage Publishing. Paperback. Book Condition: new. BRAND NEW, Earth and Ashes, Atiq Rahimi, Earth and Ashes is a story of such spareness and power it leaves the reader reeling. Set during the Russian occupation of Afghanistan, it is a fable about war, family, home and tradition. An old man and his grandson sit in a deserted landscape of dusty roads and looming mountains. What are they waiting for? As we watch them we learn their story. Atiq Rahimi has managed to condense centuries of Afghan history into his short tale of three very different generations. At the same time, he has created a story that is universal in its power.
