Reviews

A very wonderful book with lucid and perfect answers. It is probably the most incredible book i have study. Its been designed in an exceptionally simple way and is particularly just after i finished reading through this publication by which in fact transformed me, alter the way in my opinion.
(Macey Schneider)

THE ASSUMPTION OF THE ROGUES & RASCALS

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, The Assumption of the Rogues & Rascals, Elizabeth Smart, First published in 1978, and widely considered to be the sequel to her masterpiece 'By Grand Central Station I Sat Down and Wept', this remarkable book further established Smart's reputation as a brave and inspirational writer. A still beautiful woman, 31 years old with four children by a faithless lover, cannot break the habit of expectation. She must learn to submit to the cold, bare, unglamorous tenets of reality - the untenable position of love. She must learn to deflect Grand Passion into an acceptance of the rogues and rascals with their radiant faces, who buy her a bitter with borrowed cash. Out of a passionate youth, through pain and harsh revelation, she has attained a maturity - a certain knowledge that the cost of rapture is high and that there is no looking back. Hers is a voice that distils a woman's determination for survival - a voice that rises up from everyday life, from the bus queue, the Underground, the pub - and in Elizabeth Smart's hand is wrought into something magnificent.
