Reviews

This published book is wonderful. It is really simplified but unexpected situations within the fifty percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

I wish I had an opportunity to sit down with the authors of the letter because my view is clear from my writings, it is clear from my debates. I have a view of the world that some may view as somewhat dark. I believe that people will discriminate. I believe that they will always discriminate, and that is why I believe that we will always need vigorous enforcement of our civil rights laws. Now I have mentioned barriers. In one article, well, actually sev-eral articles, I talked about the different types of barriers that blacks have confronted since we were brought here. Up until, gees, 30 years ago, we had a racial caste system in large parts of this country. It really did not matter how smart you were. It did not matter how industrious you were. Your skin color, my sons skin color, would determine his fate. Now things have changed. That is not to say, though, that dis-crimination is no longer with us. In that article, I went on to talk about some of the current barriers that we are confronting. I talked about the poor quality of education in many urban centers. I talked about some regulatory barriers that make it difficult for black entrepreneurs to open up businesses. Here, in Washington, DC. , I worked with a gentleman by the name of Taliq Gupta, who runs a place where he braids hair. They shut him down, and it was not justified....
