This book is an authentic voice of an African in the form of a personalised letter about Africa to Barack Obama, the current president of the United States of America. It is however designed for public consumption. Africa has numerous, challenging and intractable problems that are now the subject of public debate (the foreign aid-loving left versus the aid-bashing right) and not surprising, the topic of several best-selling books. The election of Barack Obama as the 44th president of the United States in 2008 raised the hopes of hundreds of millions of Africans and possibly billions of people all over the world for various reasons. Nowhere else than in Africa was the hope and sense of collective achievement so high because of the president's African heritage. The question now is this: In two and half years in Office, how has Barack Obama affected the continent of Africa. In the remaining 18 months of his first term what can Africans reasonably expect of him. Were they wrong to have had too much hope in what he could do as the son...
