Brand New Book ***** Print on Demand *****.Shipping Container Homes 50 Decorating Designing Ideas For Building Your Dream Home In this filling up world we live in, many of us have become aware that we need to minimize our carbon footprint. We are all using a lot of the planet's resources, and we need to cut back where we can. While this notion means something different to everyone, some have taken it so far as to find a new and innovative way to build new housing. Why not recycle? And so, the shipping container home came into practice. But now that you have a shipping container home, what is the next step? It isn't as though these are standard size and shape for a regular house, and you can completely design everything to suit your own personal taste. And we do mean everything. While it may be a standard size for the house, you can put windows where you want, rooms where you want, and place all furniture and interior design wherever you want. There is no end to the ways you can...
