Transworld Publishers Ltd, United Kingdom, 2015. Paperback. Book Condition: New. 178 x 110 mm. Language: English . Brand New Book. Spring, 1919. James Max Maxted, former Great War flying ace, returns to the trail of murder, treachery and half-buried secrets he set out on in The Ways of the World. He left Paris after avenging the murder of his father, Sir Henry Maxted, a senior member of the British delegation to the post-war peace conference. But he was convinced there was more - much more - to be discovered about what Sir Henry had been trying to accomplish. And he suspected elusive German spymaster Fritz Lemmer knew the truth of it. Now, enlisted under false colours in Lemmer s service but with his loyalty pledged to the British Secret Service, Max sets out on his first - and possibly last - mission for Lemmer. It takes him to the far north of Scotland - to the Orkney Isles, where the German High Seas Fleet has been impounded in Scapa Flow, its fate to be decided at the conference-table in Paris. Max has been sent to recover a document held aboard one of the German ships. What that document contains forces him to break cover sooner than he would have wished and to embark on a desperate race south, towards London, with information that could destroy Lemmer - if Max, as seems unlikely, lives to deliver it.
