It is one of my personal favorite books. It is written in easy terms and never hard to understand. It has been designed in an exceedingly easy way and it is only after I finished reading this publication by which in fact changed me, change the way I think.

Resource Publications (CA), United States, 2016. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.After a generation of being a leading progressive voice both in the pulpit and in the print media of Springfield, Missouri, Roger Ray has collected one hundred of his essays on topics of social justice, religion, sex, economics, warfare, and race as a collection for use in college classrooms, in adult discussion groups, and as an enjoyable collection of thought provoking articles that once appeared on the opinion page of the Springfield NewsLeader. Roger Ray has long been a voice crying out for progressive ideas in the conservative wilderness of the Midwest. His provocative essays ask readers to give serious thought to matters of great importance that are often overlooked in the corporate media. In this series of essays he brings together his spiritual resources with his penetrating social consciousness to illumine the issues of our day. The result is a book that is provocative, powerful, and moving. - John Shelby Spong, Author, Biblical Literalism: A Gentile Heresy In this timely collection of essays, Roger Ray delivers a much-needed perspective on issues (e.g., poverty, race, gun violence, etc.) which continue to plague America. As a college instructor who teaches both critical thinking and argument, I know well the value of this engaging, thorough, and needling reader!...
