

Ethics for Criminal Justice Professionals (Hardback)

By Cliff Roberson, Scott Mire

Taylor Francis Inc, United States, 2009. Hardback. Book Condition: New. 231 x 152 mm. Language: English . Brand New Book. Increasing concerns about the accountability of criminal justice professionals at all levels has placed a heightened focus on the behavior of those who work in the system. Judges, attorneys, police, and prison employees are all under increased scrutiny from the public and the media. Ethics for Criminal Justice Professionals examines the myriad of ethical issues that confront law enforcement, judicial system, and correctional personnel. Easy to read, practical, and filled with real-life scenarios, this comprehensive volume sheds light on an often complicated and controversial topic. The book begins by defining the subject matter, explaining what ethics is, and what it is not. It explores the concept of false moral identity, examines difficult decisions that arise from attorney-client privilege, and discusses problematic issues such as officer gratuities. Next, the book provides a historical review of the concept of ethical reasoning, examining different religious and cultural influences and exploring ethics from various schools of philosophy. Ethics and police officers The authors discuss management and corruption, the causes and effects of abuse of authority, police perjury, and the practice of lying to obtain...
