Createspace, United States, 2014. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book ***** Print on Demand *****.Maxim Devereux is the handsome Dean of The Chateau. A school for the sons of the rich to learn the art of mastering a woman to pleasurable obedience in a range of ways from spanking to milking and breeding. He is keen to involve himself in teaching as well as managing and longs to train a woman as his submissive and wife. He finds the perfect woman in the form of the beautiful and fragile Carla Lewis, the co-manager of the London school. When her abusive boyfriend is found to have embezzled the school's accounts and threatens Carla's life, Maxim is determined to protect her and keep her safe within the confines of The Chateau. He informs his charge that this is the ideal time for her to learn more about the business by becoming one of the female submissives and for him to begin teaching again. Maxim sets about providing his stubborn wilful new pupil with a series of lessons on trust, discipline and surrender. He begins with a sound bare bottom caning in the Dean's office over his desk. Then he prepares her for the delights of the obedience classes, the Milking House and the stable with a thorough medical exam. Maxim has every confidence that Carla will graduate from her training after he has exposed all of the hidden desires she hides with shame and mastered her to his will. But will she agree to be his bride and allow him to breed her? The book contains the first tale in the spin off series, Minette's Correction.
