Createspace, United States, 2015. Paperback. Book Condition: New. 230 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Wealthy Physician - Canadian Edition is an informative and exciting new book for the physician and all other professionals. Finally you have a one stop guide to help make complex financial decisions easier to understand! The objective of the book is nothing more and nothing less than to give the educated medical professional a solid and easy-to-understand track to run on. I want to thank Antoine, Chase and Doug for finally telling the entire reality about Whole Life Insurance and the Infinite Banking Concept(r) as it applies to Canadians. Having discussed and debated with Antoine and other well-informed financial colleagues about the merits of the Infinite Banking Concept(r) for Canadians has greatly increased my understanding and appreciation of this powerful concept. Even more so, our conversations have driven home the importance of ensuring it is built and used correctly from a Canadian perspective. As an individual looking to use the Infinite Banking Concept(r), make sure you work with an advisor who understands the Canadian distinctions of the Infinite Banking Concept(r) as it applies to banking, life insurance and CRA tax laws in Canada. Weston Fader, Principal Advisor - Atlas Wealth Financial Although the title of this superb book singles out Physicians, in truth, it is written for ALL Canadians. This superb book pinpoints the very reasons many Canadians end up somewhere else and fail miserably after years of planning for their financial future and retirement years. Chandler, Rempp and Guest have clarified a most important process that your financial advisor should be teaching you, or you should be teaching him/her. Once you understand this concept from a Canadian perspective, you will want to put substantial amounts of...
