MANASSAS: A PLACE OF PASSAGES

[DOWNLOAD](#)

Arcadia Publishing (SC), United States, 2003. Paperback. Book Condition: New. Reissue. 231 x 160 mm. Language: English . Brand New Book. With its humble beginnings as a small train junction in Virginia's northern piedmont region, Manassas has evolved from a traditional rural community into a leading city of the New South, serving as a focal point for new businesses and growth outside of our nation's capital. Though the Civil War left an indelible mark on the character of Manassas, the area's citizens and post-war newcomers were able to begin anew, building a progressive town, full of promise and hope, upon the four-year conflict's ashes and battle-scarred landscape. In *Manassas: A Place of Passages*, this historic town comes alive, allowing the reader to take an entertaining and educational visual journey from the early days of the Iron Horse at Manassas Junction in the mid-nineteenth century to a more prosperous Manassas in the early twentieth century, when the streets were newly paved and lined with family-owned businesses. This comprehensive volume touches upon every facet of community life: schools, such as the Manassas Institute and the Manassas Industrial School for Colored Youth; the town's many historic churches, which were acknowledged, at one time, by Ripley's *Believe It or Not!*; several prominent families and civic leaders; and general scenes of people participating in recreational activities, from piano lessons and plays to athletic teams and parades.
